

**Laureates 2011 O.C. Zienkiewicz Medal of PACM**

Category: Medal for foreign scientists of particular merit for the development of computational mechanics in Poland

- Prof. Bernhard A. Schrefler
- Prof. Robert L. Taylor

Category: Medal for the whole of activity

- Prof. Tadeusz Burczynski
- Prof. Andrzej Garstecki

**Jan Szmelter Award**

Polish Association for Computational Mechanics and Scientific Committee of 19th International Conference on Computer Methods in Mechanics

hereby grant Jan Szmelter Award to **Thomas Wick**

for the best paper entitled *Monolithic fluid-structure interaction modeling for a long axis heart*

*valve simulation*

presented by a young researcher during 19th International Conference on Computer Methods in Mechanics

**CMM in numbers**

- 293 participants from 27 countries took part in the meeting (357 persons were registered),
- 71 participants under 30,
- 183 professors were co-authors, not necessarily attending the meeting,
- At least 9 presentations were not delivered.
